HP Officejet Pro K5400 Color Printer series

Get professional-quality colour and a cost per page up to 50% lower than lasers[1]. Share Laser Quality Speeds of up to 12 ppm black/10 ppm colour with built-in networking. Save more with two-sided printing (dn/dtn models only).

HP Officejet Pro K5400n Color Printer

HP Officejet Pro K5400dn Color Printer

HP Officejet Pro K5400dtn Color Printer

The HP Officejet Pro K5400 Colour Printer series is designed for small business / home business users looking for a fast, high productivity, network-ready printer offering professional-quality printing at a significantly lower cpp than comparable lasers.

Enjoy professional-quality colour printing and a cpp up to 50% lower than lasers[3].
Print professional-quality colour documents, brochures and graphics with HP Officejet inks and save as much as 50% per page over lasers[3]. Save on everyday documents too with laser-quality black at a cpp up to 40% lower than comparable lasers[3]. Maximise your print efficiency – get twice as many black printed pages and better value using optional HP 88XL Officejet Ink Cartridges[4]. Get started for less too, with a purchase price that's lower than comparable colour lasers[5].

Get the job done faster with impressive colour and black and white print speeds.
Enjoy fast colour performance. Print with Laser Quality Speeds of up to 12 ppm black/10 ppm colour – faster than most leading colour laser printers[6] – for an impressive combination of quality and performance. Need to see things even faster? Get inkjet print speeds up to 36 ppm black/35 ppm colour – for business printing that's more efficient and convenient than ever. Enhance the quality of your documents using office papers with the ColorLok symbol.

Get more done with built-in networking and other productivity-enhancing features.
Enhance productivity across your business – share the quality, value and performance between multiple PC workstations using built-in networking. Print double-sided materials and save time and paper with two-sided printing (dn/dtn models only). Spend less time reloading with a second 350-sheet paper tray, increasing total capacity to 600 sheets (dtn model only). Enjoy consistent, reliable performance plus the energy-efficient operation of an Energy Star qualified printer.

1 Compared to majority of laser printers <US$300
